

Petition to National Works Agency & Ministry of Transport and Works

Petition Summary and Background	This petition was prepared to support the leaders of Springfield community in their attempt to get attention to and resolve the problem of flooding, which negatively affects community development
Action Petitioned for	We the undersigned, are concerned citizens of Springfield, St. Thomas, who urge Mr. Richard McHargh of the National Works Agency and Hon. Michael Henry of the Ministry of Transport and Works to act now, as promised earlier this year, to do river training work along Johnson River in the area of our community
