

Jamaica Family Planning Association Commitment Form

Support areas of Stakeholders who are Committed to the establishment of the National Working Group on HIV Prevention for Jamaican Youth

Overview

This Commitment Form was designed to support the Jamaica Family Planning Association in establishing the National Working Group on HIV Prevention for Youth. While undertaking the HIV Prevention Advocacy Project it was recognized that there was a need to have interested stakeholders articulate how they believe they will be able to support the National Working Group in spreading the message and influencing leaders to centralize the issue of HIV Prevention for Jamaican Youth.

We recognize that providing support can be challenging because of the various responsibilities and other commitments that you have, but we also believe that you have an important role to play in contributing to the improvement of HIV prevention services for young people. We therefore anticipate that you will sign this Commitment Form as a sign of good faith—that you will help us in establishing and sustaining the National Working Group for a period of one year commencing October 9, 2008.

On this day of the 9th October 2008, I express my commitment to support the National Working Group on HIV Prevention for Jamaican Youth in the following way(s):
